## Which group should I join?

There are many to choose from, meeting at various times during the week. Some are just for men or women but most are open to all. Check out the options and get into the Community Group loop! If you aren't sure which group is right for you and would like some help finding a great fit, feel free to e-mail Marvae Eikanas at [Marvae@vcommunity.org](mailto:Marvae@vcommunity.org) and she can point you in the right direction!
