

We want to let you know about a new, exciting music project that JR Rund and Anitra Barbee are attempting to put together and they need TONS OF HELP!

For Starters... As you may know, I (JR), along with many who attend VCC, have become passionate about visiting and ministering to a children's home in Nicaragua called Arms of Love. At an early age, these children have experienced the heartbreak of being separated from their families, either because their families could not afford to feed them or because of abuse, neglect and/or abandonment. I have visited these children several times and they have absolutely captured my heart.

Anitra and JR share a vision that they both, separately, received from God and they need your help to make the vision a reality. They feel that God has called them to record a CD compiling original songs from our church mixed with classic children's worship songs. Our plan is to share the recording with the children at Arms of Love as a token of our love and commitment to them as a body of believers, and also sell the CDs here at home to raise money for the children's home and their growing needs.

How can you help?

Recording a CD can be a long process and requires many to make it happen. Anitra and JR will need LOTS of help! If you feel led to be a part of this exciting and rewarding project, please e-mail them so they know who all can contribute. Ultimately, the amount of interest we have will determine whether or not this project happens.

What will it take?

- Singers
- Musicians
- People fluent in Spanish (enough to help translate songs and sing them)
- Design savvy individuals
- People who can spread the word about the project
- Sound/recording/producing/technological individuals
- People who have a decent amount of musical equipment/instruments that would be willing to lend them to the use of making this project
- People with a passion for kids in general and the kids at Arms of Love (this CD will be for the kids of our church as well)
- People who have been to Nicaragua, to the children's home, want to go, or those who just love missions

If any of those apply to you and you are THE LEAST BIT interested, PLEASE contact JR Rund or Anitra Barbee and let us know! We want to help the children at Arms of Love as much as we can and follow through with a vision God clearly put on both of our hearts.

Thank you for your time and we hope to hear from you soon!
