**Which group should I join?** All of the Community Groups discuss the sermons enjoy fellowship, worship, and praying for each other. If you aren't sure which group is right for you e-mail Julie Papevies at [jpapevies@comcast.net](mailto:jpapevies@comcast.net) and she can point you in the right direction!

**Call before going to a group just to be sure they are meeting. Occasionally special things are planned and we don't want that to interfere with your Community Group experience!**
